WORK EXPERIENCE

PROJECT DESIGNER

Jan 2023 - March 2024

Gruby India Private Ltd

- Managed a team of 4 UI/UX designers and worked on a project to improve the user app design of Gruby where I put the team on research on small segments and started studying previous behavior of users on the application. We started redesigning, by improving 2 features and adding 1 new feature for them user base increased by 21%

WEB DEVELOPER

Oct2021 - Jan 2022

HPAIR(Harvard Project for Asian and International Relations)

- It was a great experience working on the Harvard Asia project. During this, I was assigned to make an attractive user interface with a simple user experience for the guests who will be booking for the conference.

PROJECT MANAGER

March 2020 - Sep 2021

Junior Matrix

- JM was a small startup consisting of 6 members researching on ed-tech where I got a good position over there and got a chance to lead a team, I started with the recruitment of my team and working on a prototype of the 1st version of Junior Matrix.

WEB DEVELOPER

Dec 2020 - Feb 2020

Tekie

- I started my industry experience with this internship where I was in charge of training and development of this ed-tech platform tekies.
